  - b) to use or disclose any Protected Health Information (PHI) solely:
    - 1) to meet its obligations in this and any other agreements with State;
    - 2) as required by applicable law, rule or regulation; and

- 3) as permitted by HIPAA, and any amendments to HIPAA, and subject in particular to limits set forth in 45 CFR § 164.514 (e) (2) (limited data sets) and 45 CFR § 164.502(b) (minimum necessary disclosure requirements);
  - c) to return or destroy all PHI received from, created, or received on behalf of State, at termination of this agreement, or upon request of the DOH, whichever occurs first, or, if such return or destruction is not feasible, to extend the protections of this agreement to the information and limit further uses and disclosures of such PHI;
  - d) to ensure that its agents, including a subcontractor for which Sub-recipient has received prior written consent from State pursuant to "Standard Clauses" section 11 to whom it provides PHI received from or created by Sub-recipient on behalf of State, agrees to the same restrictions and conditions applicable to Sub-recipient, and agrees to implement reasonable and appropriate safeguards to protect all Electronic Protected Health Information (EPHI). Sub-recipient also agrees to create and enforce business associate agreements (BAAs) with any and all subcontractors and to monitor such subcontractors for compliance with HIPAA provisions and to take reasonable steps to ensure that its employees' actions or omissions do not cause a breach of the terms of this agreement;
  - e) to notify State of any discovery or a breach of unsecured PHI as defined in the HITECH Act or accompanying regulations pursuant to the terms of 45 CFR § 164.410 and cooperate in State's breach analysis procedures, if requested. A breach shall be treated as discovered by Sub-recipient as of the first day on which such breach is known, or, by exercising reasonable diligence, would have been known, and requires notification to State without unreasonable delay and in no event later than thirty (30) calendar days after discovery of the breach. Such notification will contain the elements required in 45 CFR § 164.410; and
  - f) to comply with all requirements pursuant to the HITECH Act and its implementing regulations, and all additional applicable requirements of the Privacy Rule, including those contained in 45 CFR §§ 164.502(e) and 164.504(e)(1)(ii). Sub-recipient will not directly or indirectly receive remuneration in exchange for any PHI, subject to the exceptions contained in the HITECH Act and without a valid authorization from the applicable individual. Sub-recipient will not engage in any communication which might be deemed to be "marketing" under the HITECH Act, and will comply with all applicable security requirements in 45 CFR §§ 164.308, 164.310, 164.312, and 164.316.
- ii. Notwithstanding the prohibitions set forth in this agreement, Sub-recipient may use and disclose PHI if necessary for its proper management and administration or to carry out its legal responsibilities, provided the following requirements are met:
- a) the disclosure is required by law; or
  - b) reasonable assurances are obtained from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed. Such person shall notify Sub-recipient of any instances of which it is aware in which the confidentiality of the information has been breached.

Sub-Recipient acknowledges that it shall have a duty to not disclose any State Proprietary Information to any third person for any reason without the express written permission of a State officer or employee with authority to authorize the disclosure. Sub-Recipient acknowledges that the State and its agencies are public entities and thus are bound by South Dakota open meetings and open records laws. It is therefore not a breach of this agreement for the State to take any action that the State reasonably believes is necessary to comply with the South Dakota open records or open meetings laws, including but not limited to posting this Agreement on the State's website. If work assignment performed in the course of this Agreement required security requirements or clearance, the Sub-Recipient will be required to undergo investigation.

Sub-recipient acknowledges that the State shares general information, including performance information, about Sub-recipient among and between other State agencies upon request of such agencies for the purpose of making determinations of the risk involved with potential, subsequent grant awards and for other purposes. 13. FORCE MAJEURE:

Neither Sub-Recipient nor State shall be liable to the other for any delay in, or failure of performance of, any covenant or promise contained in this contract, nor shall any delay or failure constitute default or give rise to any liability for damages if, and only to the extent that, such delay or failure is caused by "force majeure". As used in this contract, "force majeure" means acts of God, acts of the public enemy, acts of the State and any governmental entity in its sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes or other labor disputes, freight embargoes, or unusually severe weather.
